21 – 24 April 2019, Jeddah

UBT | EXECUTIVE
EDUCATION

digitalmarketinginstitute.com

PROGRAM OVERVIEW

Digital technologies have changed the way we work, live and communicate.

Strategy and planning are key to digital marketing. A measured and well considered strategy along with a coherent plan for the organizations can dramatically reduce spend and increase value from the marketing.

This specialist certification program is designed to make a difference for the institute and the employee's career. Industry aligned, it can help standing out from the crowd and nurture the on demand competencies, boosting the credibility.

Become a leader in your industry by becoming a certified digital strategy and planning specialist.

PROGRAM OBJECTIVES

The program introduces participants to digital communications, and helps developing a measured and well-considered strategy and coherent plan for their organization, that will stand up to the rigor and scrutiny of board-level decision making.

The participant will gain a solid understanding of the theory and practical application of digital strategy, allowing them to implement a powerful marketing mix that sustains customer engagement and increases sales.

This program enables consolidating the essential skills necessary to create well-measured digital strategies that convert.

PARTICIPANTS

This program is aimed at professionals involved with planning a digital strategy for their organization, or those likely to be involved in this area in the future and would like a comprehensive understanding of the field.
